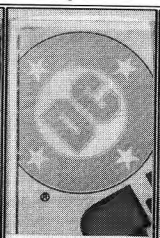
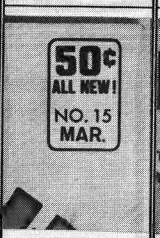
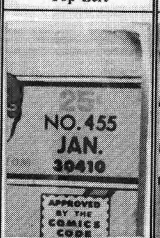
CVM GRADING GUIDE

Grading comics is an objective art. Grading factors you should consider when purchasing a comic magazine include: examination of the corners, staples, glossiness and luster of the covers, the aging and condition of the interior paper, etc. This CVM Grading Guide illustrates the many conditions that may be seen from the highest grade and top condition to the lowest collectible grade and shape. Your own comics will be in one of these conditions. This guide will also keep you aware when it comes to buying comics whether you purchase a bargain or a dud. (However, we should point out that no reader or advertiser is required to follow this or any other standard.) All prices in our CVM guide are in Near Mint grade. Happy collecting from us here at CVM.

Mint	Near Mint	Very Fine	Fine	Very Good	Good
					


Top Left	Top Left	Top Left	Top Left	Top Left	Top Left
					




Top Right	Top Right	Top Right	Top Right	Top Right	Top Right
					Spine	Spine	Spine	Spine	Spine	Spine
Mint A perfect, pristine specimen, devoid of any trace of wear or printing or handling flaws. Covers must be fully lustrous with sharply pointed corners. No color fading. Must be well centered. Many "rack" comics are not "Mint" even when new.	**Near Mint** An almost perfect example with virtually no wear. No significant printing flaws. Covers must be essentially lustrous with sharp corners. Spine is as tight as new. In older comics minimal color fading is acceptable, as is slight aging of paper. Most price guides, including CVM, quote prices in this grade.	**Very Fine** A well preserved comic still pleasing in appearance. Small signs of wear most particularly around staples. Most luster is readily visible. Corners are no longer sharp, but not rounded. Typical of a comic read only a few times and then properly stored.	**Fine** A clean, presentable comic with noticeable signs of wear. Some white showing through enamel around staples and moderate rounding of corners. No tape or writing damage. Book still lies flat.	**Very Good** A well worn reading copy with some minor damage such as creasing, small tears or cover flaking. Some discoloration evident and wear obvious around staples. Little luster remaining and some rolling of spine may be seen when comic is laid flat on table.	**Good** A fully intact comic with very heavy wear. Tears, cover creases and flaking and rolled spine will all be evident. No tape repairs are present. Only scarce or valuable issues are usually collected in this state.

FUTURE PICKS

● Batman the perp with Judge Dredd as the Law! Quite a combination as Batman finds himself transported to Mega-City One in the DC/Fleetway publisher crossover, BATMAN/JUDGE DREDD: JUDGEMENT ON GOTHAM. Add to this the Scarecrow and Judge Death and you have an explosive cross company storyline. Many Americans are not too familiar with Britain's popular hero but this crossover, along with Fleetway's recent Judge Dredd package of books, should change all this. We may well see a renewed interest in the no-nonsense law-enforcing Judge, especially with the possibility of a future Judge Dredd movie. DC is looking to other publisher crossovers including the upcoming three issue miniseries entitled BATMAN VS. PREDATOR. More on this potentially hot DC/Dark Horse crossover nearer to publication. (See this month's CVM article for more information on publisher crossovers). Our thanks to DC for supplying our front cover feature at such short notice!

● Since last month's comments on ROBIN II: JOKER'S WILD and the RAGMAN mini-series, interest has heightened for both. RAGMAN is now on the shelf and is selling well.

● One regular series that may prove to be a popular seller is the forthcoming Green Arrow/Butcher team-up in the new BRAVE & BOLD title. The Question and Black Canary will also be appearing in the book.

● DC's Impact line, although receiving mixed reviews, does seem to be having some impact on the Silver Age Archie titles; in particular, THE FLY and THE MIGHTY CRUSADERS.

● There are several independent titles on the horizon that may raise a few eyebrows among readers and collectors alike. We start off with a couple of titles from Continuity- CYBERRAD and CRAZYMAN. CYBERRAD #5 will feature a glow-in-the-dark cover for all you phosphorescence "phans" while CRAZYMAN #1 will feature an embossed cover (for all you embossed "types!") CRAZYMAN, the nutcase who appeared in REVENGERS #1 as a back-up story, will feature the writing talents of Neal Adams.

● Hero Graphics offer us ICICLE from the pages of FLARE. The title will also feature appearances by the League of Champions among others. Will it be ice cold, luke warm, or flaming? We wait.....

● Although GREEN HORNET has not been a stinging success to date, he has resurfaced in a new series. More to the point, Now Comics is looking to release KATO OF THE GREEN HORNET featuring the work of Brent Anderson, artist of the first X-MEN Graphic Novel. Will he bring back a sting to the tale?

● Other possible indie hits include: DARK SHADOWS (Innovation), based on the popular 1970's television series; RE-ANIMATOR (Adventure), from the cult horror movie; TERMINATOR: THE ENEMY WITHIN (Dark Horse), featuring Simon Bisley covers; and HARBINGER (Valiant). Also look for Bob Layton's move from one IRON MAN to another with Valiant's X-O MAN O'WAR.

● Marvel mutant mania continues with the latest X-MEN titles. At the time of print, X-MEN (A) is on the shelf and selling well. However, it would seem that due to the very large print run, it will be some time before X-MEN #1 copies move in price. But, don't expect the same for UNCANNY X-MEN #281 and X-FACTOR #71. Both of these issues feature the new team line-ups and should prove popular collector's items.

● More news on X-FORCE and in particular, the positive and negative CAPTAIN AMERICA graphics on issue #1 of this title. Marvel has informed us that the negative graphic is a printer's error but is unable to confirm the number of copies because returns have been small. We have had some indication of price difference between the two graphics but as yet, nothing substantial. We will keep you informed.

● On to future possible Marvel picks and a move toward horror titles, the upcoming forthcoming LEGION OF NIGHT mini-series written by Steve "Man-Thing" Gerber and pencilled by Whilce "X" Portacio, and the TOMB OF DRACULA mentioned way back in CVM #61, should prove to be frighteningly popular.

● Finally, just when you thought the New Mutants were history, meet the New Mutant dopplegangers in WOLVERINE: RAHNE OF TERRA. Alternate version or not, this Peter David and Andy Kubert story will be seen by many as the last ever appearance of the New Mutant team.

● More 'alternate' picks next month!!

C.V. MOVERS — REGIONAL REPORTS

Northeast

Chuck Tooley
Fat Jack's Comicrypt
Philadelphia, PA

DC Comics

SANDMAN continues to be one of our top DC books. But it's easy to get down on DC with its seemingly endless barrage of late books. If DC wants to whittle away at Marvel's dominant market share, they have to start getting those books on time. Too bad about KID ETERNITY. It was a best seller for us, but by the time #3 comes along... don't really know. BATMAN is dying. DETECTIVE is dead. LEGENDS OF THE DARK KNIGHT seems the only title really on the ball. The crossover with Judge Dredd is something to look forward to in the days that come.

Marvel Comics

The Marvel glut continues as more titles are added to an already obese line. SPIDER-MAN #14, X MEN #1 and GHOST RIDER #18 were out and selling well. The problem is something is going to have to give. What I've seen might be good news to independent publishers worried that the Marvel glut could hurt their own sales. IRON MAN, FANTASTIC FOUR, both AVENGERS books and CAPTAIN AMERICA have suffered drops in sales, while the Epic line stagnates on the shelves. It seems like consumers making room for all those X-MEN #1s have to cut something — other Marvels.

Independents

If we stopped carrying LOVE & ROCKETS just to stock more X-Men, we'd have a revolt on our hands. A healthy percentage of our sales are independents. And if you're a retailer and you're not stocking HATE or XENOZOIC TALES, then you're doing yourself a big disservice. In dollars, these books are doing far better than AVENGERS or CAPTAIN AMERICA.

Top Ten
1. X-Men
2. X-Force

DC Comics

ARMAGEDDON 2001 sells out. DEATHSTROKE was, as we predicted last time, great. Grab NEW TEEN TITANS (1st) #2 for his first appearance. Lobo appearances still sell, and September's Sandman month looks good. SWAMP THING has improved with the new team, and the WAR OF THE GODS started with a bang. Snap up Robin appearances because the new ROBIN series will be hot. 14 covers, I know, we're sick of it too, but holograms sell, Marvel Cards proved that. Expect big jumps in BATMAN #436, #442 and #457. No interest YET in their 1970's titles, although HOUSE OF MYSTERY and HOUSE OF SECRETS, as well as SANDMAN are gaining interest.

Marvel Comics

DEATHLOK and X-FORCE sold out in two days (and we ordered a lot). We expect X-MEN #1a to follow suit. Investment-wise, DEATHLOK looks the strongest. The summer annuals have been weak. The other big hit is INFINITY GAUNTLET with SILVER SURFER caught in its wake. GHOST RIDER and HULK are also strong. Pick up those '70's books! First appearances of characters like Iron Fist and Deathlok are going at double guide. MASTER OF KUNG FU, DR. STRANGE and others go at about 1-1/2 guide. Hot books include the current DEATHLOK mini, MARVEL COMICS PRESENTS #62, NOMAD, the last CAPTAIN AMERICA ANNUAL and X-FACTOR (Portacio) and AMAZING SPIDER-MAN #287 (first Larsen).

Independents

Dark Horse hasn't produced a bad book all year. e.g. TANK GIRL, DEADFACE, 'Sin City', and HOMICIDE. From Tundra, VIOLENT CASES!!! Buy this book! Apocalypse Press started with MARSHAL LAW, but their back-up feature, Accident Man, is the hottest humor character since the Tick. Viz titles are also doing well.

Top Ten
1. X-Men
2. X-Force
3. Uncanny X-Men
4. X-Factor
5. Infinity Gauntlet
6. Deathstroke

North Central

Ron Urmanski
Powerhouse Comics
Green Bay, WI

DC Comics

LEGEND OF THE DARK KNIGHT scored a big hit with the Venom storyline, and though BATMAN: FULL CIRCLE is looked at with interest, the price tag is just too high. The Impact Line seems to be starting off strong; it's too early to tell anything yet. The ARMAGEDDON 2001 Annuals are surprisingly well done, with fans showing their support through their purchases. The DETECTIVE ANNUAL in particular is anticipated here.

Marvel Comics

X-FORCE has virtually flown from the racks and directly into the sweaty hands of mutant lovers everywhere! It went so fast that only a stiff breeze was left behind to mark its passage. SPIDER-MAN, GHOST RIDER, NEW WARRIORS, INFINITY GAUNTLET, and the other X books continue to sell well.

Independent Color

MAGNUS and SOLAR are hard to find here, especially on the day they arrive! The quality of story is selling MAGNUS and SOLAR from Valiant. The TERMINATOR one-shot was also looked upon with interest, but its price tag hampered its sales.

Independent B & W

Almost no action here, though CEREBUS deserves a larger audience.

Additional Comments

Surprise, surprise! JAMES BOND #3 came out just when everyone had forgotten it. Now's the time to dig out those other two issues to find out what's been happening. There are also big cheers from our customers as they anticipate John Byrne's timely arrival as writer of the X-MEN books.

Top Ten
1. X-Force

DC Comics

No DCs are in our Top Ten sellers, and only two—BATMAN and DETECTIVE—are in the Top 20. In other words, business as usual.

Marvel Comics

Marvels outsell DCs in our stores by margins of 3-1 to 5-1. UNCANNY X-MEN is still far and away on top, with AMAZING SPIDER-MAN a distant second. Other strong contenders are X-FACTOR #63—up, NEW WARRIORS, GHOST RIDER, PUNISHER WAR JOURNAL, and DARKHAWK. The Keown HULKs are finally picking up. Also, SLEEPWALKER is surprisingly strong.

Independents Color

The uncontested winner here is Archie's TEENAGE MUTANT NINJA TURTLES. ROCKETEER is still strong, of course. Other good titles include the EC reprints and the new MAGNUS, ROBOT FIGHTER.

Independents B & W

CEREBUS is on top, outselling even TEENAGE MUTANT NINJA TURTLES, which is in second place (of course, there are a lot more issues of CEREBUS). TICK and ELFQUEST: KINGS OF THE BROKEN WHEEL also do well.

Top Ten
1. Uncanny X-Men
2. Amazing Spider-Man
3. Thor
4. Fantastic Four
5. Daredevil
6. New Mutants
7. Hulk
8. Avengers
9. Marvel Comics Presents
10. Wolverine (regular series)

Bottom Five
1. Flash
2. Superman
3. Teen Titans
4. Legion of Super-Heroes
5. Wonder Woman

Northwest

Willford King
King's Komix Kastle
Boise, ID.

DC Comics

The Impact line is selling better than I expected, but I didn't expect much. STAR TREK: THE NEXT GENERATION is doing fine, but GREEN ARROW is still the leading DC. The late, lamented Jonah Hex comics are moving if the prices are kept low. Ho-hum! WAR OF THE GODS.

Marvel Comics

Spider-Man titles sales are still high, even though sales of SPIDER-MAN #10-#13 are slacking off. Even MARVEL TALES sales are up, as are the Spider-Man treasury editions. Recent sell-outs: SILVER SURFER #50, NEW MUTANTS #86-100, X-FORCE #1. There's renewed interest in STAR WARS. X-FACTOR back issue sales are healthy. UNCANNY X-MEN is doing well—perhaps caused by anticipation of the new X-MEN title. Quality 1970's stuff like MASTER OF KUNG FU, has been bounding out the door. ASTONISHING TALES (Deathlok) sells better than the new DEATHLOK title. Ho-hum: INFINITY GAUNTLET.

Independents

The Cochran E.C. reprints seem more popular than the Gladstones, although they look about the same. MAGNUS (Valiant) is selling well; SOLAR not so well. Sales of the new Disney comics are abysmal, but I've had many big sales of old Dell & Gold Key Disney titles, like UNCLE SCROOGE, DONALD DUCK & WALT DISNEY COMICS & STORIES. Also doing great are the Dell & Gold Key movie/TV photo cover issues.

Additional Comments

I'm glad to say that new **female** collectors are purchasing VAMPIRE LESTAT, THE CROW, BARBIE, and bargain-bin copies of ZOT.

Top Ten
1. X-Force
2. Spider-Man
3. Amazing Spider-Man
4. X-Factor
5. Uncanny X-Men
6. Spectacular Spider-Man
7. Web of Spider-Man
8. Silver Surfer
9. Avengers
10. What If?

Bottom Five
1. Cerebus
2. Akira
3. Robocop
4. Toxic Avenger
5. Others which consistently sell zero copies.

Southwest

Alan & Marsha
Giroux
All About Books &
Comics
Phoenix, AZ.

DC Comics

SANDMAN #1-5. Early issues will someday be listed as scarce. Lots and lots of collectors are searching for these numbers. Prices are rising for SANDMAN #1.

Marvel Comics

When will the bubble burst? As of mid-August, X-FORCE #1 has sold 5-1/2 million copies and X-MEN #1 has pre-sold up to 8 million copies. Is there no stopping Marvel's promotional finesse? These numbers are great for comic retailers, but the numbers speak for themselves as to the collectibility of these books. (i.e. there is no collectibility when you can supply a copy to each person living in New York City.) One of our customers purchased 500 copies of X-FORCE #1, speculating on the fact that it would increase in value "soon." Emphasis on the word "soon." We'll have to see on this one, people. NEW MUTANTS #87, with the first appearance of Cable is a true scarcity for it was ordered and printed as a run of the mill medium Marvel seller (print run: 300,000?). Look for this one to reach the $ 100.00 range within a year. NEW WARRIORS #1-5 are nearly sold out; many copies selling to collectors from out of state. Look for them to spiral upwards. Silver Age is still on the move. Early Marvels (FANTASTIC FOUR #1-50, X-MEN #1-25, AMAZING SPIDER-MAN #1-100) are the most requested, and the hardest to buy at reasonable rates.

Additional Comments

With all the Big Two multiple cover ploys and this variation and that variation, please support (i.e, purchase) your favorite independents so they don't get lost in the monetary shuffle.

Top Ten
1. X-Force
2. Spider-Man
3. X-Men
4. X-Factor
5. Ghost Rider
6. Wolverine
7. New Warriors
8. Weapon X (MCP)
9. Amazing Spider-Man

2. Archie monthlies
3. Sgt. Rock
4. Shadow Strike
5. Knights of Pendragon

Canada

Alan Price
L.A. Comics &
Books
Kamloops, BC

DC Comics

WAR OF THE GODS caught us by surprise. It looks like the days of multi-issue crossovers are not yet behind us. The Armageddon Annuals are doing extremely well. The Impact titles are iffy at best. The first issues sold at moderate to low DC titles but the second & third issues are not moving.

Marvel Comics

X-FORCE #1 sold out within three days of receiving it; however, some complaints came back regarding the quality of the work. INFINITY GAUNTLET surprised us with very strong sales and strong interest and anticipation for the X-MEN #1. All these promotional "gimmicks" such as silver embossed and glow-in-the-dark covers do capture interest; nevertheless, if the quality of the comic is lacking increased sales are not sustained. Marvel will have to revamp their annuals next year as sales were not only down but almost non-existent!

Independents

Valiant titles are also selling extremely well, but the remainder of alternative titles other than Dark Horse titles are slow. The TMNT are dead with the recent issues being extremely poor in quality.

Additional Comments

Overall sales are down. Quality is important for continued strong sales (e.g. Todd McFarlane leaving Spider-Man).

Top Ten
1. X-Men
2. X-Force

DC Comics

DC is steadily gaining some share of the market from Marvel, especially after the nice reviews given in the leisure section of the Star Newspaper (our National paper). All BATMAN titles are a sure seller since the BATMAN's hit movie and through the grapevine, Mike Barr's BATMAN: FULL CIRCLE is a sure seller. LEGION '91 is doing quite well and any appearance of obnoxious LOBO in any DC titles will ensure sales. And finally WAR OF THE GODS is occupying 7th position in our top ten sellers.

Marvel Comics

All X-titles are the No. 1 seller here and X-MEN #1 is occupying the No. 1 position in our Top Ten, the fans here can't get enough of Jim Lee it seems. McFarlanes' SPIDER-MAN is competing with the X-MEN in our Top Ten, but alas it has to be contented with 2nd place instead. Peter David is to be congratulated on what he has done to the HULK, it's not in the Top Ten but it's getting there. GHOST RIDER is becoming the fan's favorite character here and any guest appearance in any Marvel titles will ensure sales. At one time everyone was skeptical whether GUARDIAN OF THE GALAXY was going to make it, but now it's surging steadily in sales. Overall Marvel comics seems to have occupied the majority position in our Top Ten seller.

Independents

PREDATOR from Dark Horse is gathering fans, even with the limited copies we do get for all independent titles here. MAGNUS:ROBOT FIGHTER is also doing quite well, in fact, better than some regulars from MARVEL and DC.

Top Ten
1. X-Men
2. Spider-Man
3. Uncanny X-Men
4. X-Force
5. Infinity Gauntlet
6. X-Factor
7. War of the Gods
8. Ghost Rider
9. Armageddon 2001
10. Legends of the Dark Knight

Steve
C. V. Mail
P.O. Box 38
South Salem, N.Y. 10590

Dear Steve,

Greetings from the land Down Under.

I'm very pleased to see that you haven't charged outrageously for the improved magazine (especially here in Australia, where comics and related material cost a minimum of 175% the cover price.) And speaking of markets and marketing, this leads me to the reason for my writing. In #61, your CVMovers U.S./Southwest regional reporters made a very valid point in their additional comments, which was that the comics companies are going overboard to sell their products by forcing readers/collectors into a "I do not want to be left out" mentality through multiple variant printings, bound-in cards/posters, pre-bagged books, etc. (at least, that's how I interpreted their words). I cannot agree more with Chris and David, and to me this is a very worrying trend because these companies are forcing collectibility onto their products in an artificial way.

In the old days, a comic was sought after because it was rare, wanted by collectors, or for casual reader. Now, particularly in the last two years, a comic is made rare before it's even sold out in the shops. Witness Spider-Man #1: six different versions, and reprints on top of those. A person would need to buy 7 different copies (what with silver, purple, U.P.C. versions and then their bagged counterparts) just to have all incarnations of issue no. 1! Or Batman: Legends of the Dark Knight, with four different colored covers "just for fun," to quote DC. Well, I didn't find it fun when I was suddenly confronted with four versions of the same book with only a minor difference between them and, being a completest, ended up buying all four.

Now comes the news that X-Force #1 has one of five different cards in each pre-bagged copy and that the new X-Men #1 will do the same thing, only with posters. But the clincher is that DC has decided to get in on this again with its War of the Gods variations. Where will it all end? Perhaps what ten years ago would have been in the realm of the ridiculous is now a possibility in the near future, with multiple variations of every issue of every title, each of which will differ from the others only slightly.

This would be frightening to me, and I believe many others who read and enjoy comics (something I've been doing for nearly 20 years), for several reasons. First, it would isolate many readers. Few will be able to afford all versions (especially if comics cost more). Second, this type of marketing creates artificially high sales which then must be maintained by using similar tactics regularly through the title's run. This has already occurred up to a point with variant reprints of popular issues. And third, the price of back issues will be forced up as earlier printings of an issue fetch more than later ones; thus, a comic's collectibility will be gauged by the variations it possesses compared to other printings rather than by the story, art and characters.

I do not want to see comics turned from an entertainment industry into an inflated balloon, thin on substance on the outside and nothing but hot air inside and just waiting to burst. As Chris Shorb and David Wilburn wrote, "Whatever happened to good stories and good art?," I might add, for their own sake.

Mark Dito, Springwood, N.S.W., Australia.

G'day Mark,

Your letter follows hot on the heels of our 'Multiple Choices' article in CVM #63. We addressed the issue of multiple covers and variations to some degree and came up with some very interesting comments. We would be very interested in reader reaction to both the article and the points raised in Mark's letter.
S.J.

Dear Steve,

I am new to the world of comic book collecting and so far I really enjoy it. It is a refreshing change from the sports card hobby which as far as I am concerned is nuts. The prices are ridiculous. All the dealers care about is making money and not helping their customers. The comic dealers I have met so far are very helpful to their customers and truly love the hobby of collecting comic books. Any sportscard collectors reading this magazine, I suggest giving the comic book hobby a try. It certainly beats the money-hungry sportscard hobby.
Kristian Jackson, Belfast, ME.

Hi Kristian,

There are good and bad dealers in every collectible market. The answer to fair prices is simply to shop around. The latest Attic Books publication, Malloy's Sports Collectibles (MSC), will be listing sports cards along with many other sports related collectibles. I'm sure that the MSC boys will be reflecting the pricing market in a fair and balanced manner. For all those interested, #1 should be on the shelf by the time you read this. (shameless plug). However, we at CVM feel that comics are 'numero uno'. (Look out for the latest crossover; CVM vs. MSC in 'Crisis of Infinite Egos').
S.J. (In the blue trunks)

Dear Steve,

A couple of weeks ago AC Comics received a letter from a retailer/fan. One of his reasons for writing was related to CVM. He related to us that he deals today with two kinds of readers...(A) those that read and collect books they like strictly for entertainment and (B) those that read and collect only books they hope will increase in value. This, according to our retailer source, gives them "justification" for spending money on comics. Since independents don't fare well with CVM or Overstreet, they primarily attract readers from type (A). He always recommends our Femforce title to readers, but if they inquire as to prices for early issues in CVM, he has to reply that like most other independents, they do not increase in value. Thus, we lose the type (B) reader.

Now, he notes in our back issue list that we have certain issues for sale at rather high prices. He suggests we send some verification to you that we do indeed sell at that price (verification enclosed). These are issues that were (1), popular and (2), we have few of in stock. Our retailer feels verification of our selling prices would encourage you to raise the value, thus helping him sell to the type B as well as the type A reader and in turn help our sales. Now as to how you determine the value of books and why independents don't generally fare well. I assume value is determined by supply and demand (number of people requesting certain books increases their value and the lower the supply the higher the value). The independents are not as widely read, have lower print runs and therefore have fewer people demanding them. However, the supply and demand would be the same. If you collect an independent, there are few of a certain issue left and you want it, you are willing to pay the price when you can finally locate a copy. So, give some thought to increasing the value of rarer independent books as you would a Marvel or DC title.

Love to hear from you on these matters. Thanks.
Bill Black. Publisher, AC Comics.

Dear Bill,

We thought that we would air your letter on this page in order to bring an important point to the attention of our readers.

It is an unfortunate fact that some retailers tend to reserve their 'prominent' shelf-space for DC and Marvel titles. This means that many good quality publications do not get the exposure that they deserve. It naturally follows that demand, and therefore prices are lower. We at CVM are only reflecting this trend. We like to think that our Future Picks, Regional Reports, and regular title listing sections provide 'exposure' for all publications. We would ask our readers to give all titles the benefit of the doubt. After all, in this weird but wonderful world of comics, variety is most certainly the spice of life.
S.J.

HOT/COLD — C.V.MOVERS

The following list was compiled from recent Hot/Cold lists received. (–) indicates last month's position.

HOT	
1. X-Men	(2)
2. Spider-Man	(4)
3. X-Force	(1)
4. Ghost Rider	(6)
5. New Mutants	(8)
6. X-Factor	(3)
7. Infinity Gauntlet	(5)
8. New Warriors	(-)
9. Silver Surfer	(7)
10. Incredible Hulk	(-)

COLD	
1. G.I. Joe	(2)
2. Barbie	(-)
3. Toxic Avenger	(-)
4. Robocop	(1)
5. TMNT	(-)

Notes on using Comics Values Monthly

This publication is designed to guide comics collectors in the most current comics values. It is a tool, along with other fine publications, to assist collectors to enjoy the hobby.

The comics values listed are what a dealer will generally ask. Depending on a dealer's needs and condition of the comics, dealers will pay around 50% of these values for major hot titles, and 30% or less for minor comics. These guidelines will vary from dealer to dealer and as to location

All characters represented in this issue are copyright by the publishers listed on page 8.

Condition of Comics

MINT – A perfect comic in every way.
NEAR MINT – A nearly perfect comic. Cover shows barely perceptible signs of wear. Tight spine with minor printing defects acceptable.
VERY FINE – Beginning signs of wear. Slight creases at staples, some loss of gloss but attractive.
FINE – A worn cover but clean. Stress lines around staples and more rounded corners.
VERY GOOD -- A well read book. Minor markings, discoloration. Heavier stress lines around staples with minor tears or corner creases and spine rolling.
GOOD – A very worn comic with creases, minor tears, cover flaking apparent. No tape.

DREDDING THE BAT OR... BATTING FOR DREDD

by Neil Hansen

© 1991 Fleetway Publication

In this corner, weighing in at 200 lbs. is the Dark Knight of Gotham City ... The Batman!

And in the other corner, weighing in at 14 st (200 lbs.) is that incorruptible force of law and order ... Judge Dredd.

The forum for this clash is the new **Batman/Judge Dredd** comic: **Judgement on Gotham.** Long awaited, the Batman from the United States is finally meeting Judge Dredd from Britain in two special editions. In the U.S., it is slated to appear with a comic book prestige size format edition published by DC Comics. However, in Britain, Fleetway/Quality will produce the book in an 8" x 11" squarebound edition. This marks the first time a company crossover has occurred in two different countries.

The **Batman/Judge Dredd** idea has been bandied around since the early '80's. Originally, intended to be written by Alan Moore and Brian Bolland, the deal fell through.

"I revived the idea in 1987," said Steve McManus, managing editor of Fleetway's 2000 A.D. line which includes **2000 A.D.** and **Judge Dredd: The Megazine.** "I proposed the idea with the creative team of John Wagner and Alan Grant as writers and Alan Davis (of **Excalibur** fame) as artist."

Batman, created by Bob Kane in 1939, is one of the most well known American folk heroes, fighting crime uninterrupted for over 50 years. A hit character, The Batman has spun off into other media forms. In the '40's, he appeared on radio as a supporting character on the Superman radio show, and he starred in two movie serials. Those serials inspired the campy Batman television series that was seen from 1966 through 1968. Following its cancellation, Batman appeared in animated form on the "Superman/Batman Hour." He was a member of the Super Friends from 1973 through 1985.

In 1989, Batman clashed with the Joker in a multimillion dollar motion picture starring Michael Keaton and Jack Nicholson. His licensed products have brought in millions for DC from action figures to lunch boxes.

Regarding reasons for his longevity, Kelley Puckett, assistant editor to Denny O'Neil who edits Batman at DC Comics said, "Batman's like an icon. He's the dark man of comics — the original scary good guy."

In contrast, who is Judge Dredd? Where does he come from?

Judge Joe Dredd is a cop of the future created to prosecute the law to its fullest as judge, jury and executioner. He is the ultimate right winger who protects the innocent in Mega-City One, a city in the 22nd century spanning the entire East Coast of the U.S.

Judge Dredd first appeared in **2000 A.D.** #2 (1977). His name was originally intended for an occult strip in the British weekly, but that intention was twisted sideways turning Judge Dredd into a futuristic Dirty Harry created by John Wagner and visually designed by Carlos Ezquerra.

Because of his "no nonsense" attitude, Dredd was an instant smash, becoming the hottest character in Britain. Subsequently, his popularity spread world wide. Today, Judge Dredd is published in several European languages.

"People look at Robocop and say a lot of it came right out of Judge Dredd," said Sal Quartuccio, U.S. sales manager for Fleetway/Quality.

And though it was Ezquerra who designed Dredd, it was Brian Bolland who created the look for the character. A similar circumstance happened with Superman. Joe Shuster designed the Man of Steel in 1938, but Curt Swan's version of the character is the most identified with today's public. When Christopher Reeve received the part of Superman for the movies, one reason cited was that Reeve looked very much like Swan's Superman.

In 1981, Dredd's popularity spread into the newspapers with a syndicated strip in Britain's **Daily Star.**

Judge Dredd was a strip where many British creators had a hand. Writers included Alan Moore and Grant Morrison. Artists included Ian Gibson, Dave Gibbons, Alan Davis — and Simon Bisley, the artist destined to draw **Batman/Judge Dredd!**

Bisley is known in America for his work on the mega-hit **Lobo** mini-series (and the upcoming **Lobo Paramilitary Christmas Special** in which Lobo is hired by the Easter Bunny to kill Santa Claus) and the regular series **Slaine: The Horned God.** He is also responsible for Judge Dredd's appearances in **Rock Power** (a British heavy metal magazine which is translated into seven different European languages). Bisley joined the **Batman/Judge Dredd** project when according to Steve McManus, Alan Davis had to drop out of the project.

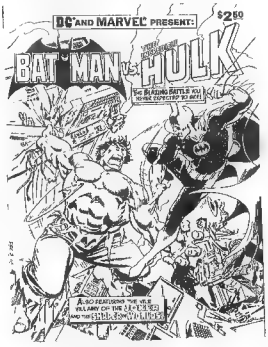
© 1991 DC Comics, Inc.
& Marvel Entertainment Group

"Once Simon Bisley got into the project, his popularity grew very quickly," said Quartuccio.

With regard to potential editorial problems that such a cross country crossover may cause, Kelley Puckett commented, "The problems aren't very major; you have small niggling ones like Britishisms that we take out for our version. It would have been more difficult if we weren't working with John Wagner and Alan Grant. John created Dredd and Alan's been writing Batman for a while."

Though **Batman/Judge Dredd** is the first cross country crossover, it was not the first inter-company crossover. In 1976 when DC and Marvel Comics both joined forces and teamed together their most popular characters in the oversized collector's edition of **Superman vs. The Amazing Spider-Man**. Both characters tackled the combined threats of Lex Luthor and Dr. Octopus as they struggled to save their girl friends, Lois Lane and Mary Jane Watson and the entire Earth from the villain's schemes. Encompassing 100 pages, the book was written by Gerry Conway (who had written both Superman and Spider-Man) and drawn by Ross Andru (who had drawn Superman and Spider-Man) and Dick Giordano. The collector's editions inspired DC Comics to follow up with three subsequent collector's editions: **Superman vs. Wonder Woman** by Conway, Jose Luis Garcia Lopez and Dan Adkins; **Superman vs. Muhammed Ali** by Denny O'Neil, Neal Adams and Giordano; and **Superman vs. Shazam** by Conway, Rich Buckler and Giordano.

DC and Marvel decided that "if at first you succeed, try, try again." In **Marvel Treasury Edition** #27 (1981), Superman joined Spider-Man again, this time combining forces against the Parasite and Dr. Doom. However, DC and Marvel weren't just satisfied with only two heroes. Wonder Woman and the Incredible Hulk were also in on the fun. The scripter was Jim Shooter, writer of Superman in the '60's and Marvel's editor-in-chief at the time. The art was pencilled by Marvel's John Buscema (in his Superman debut) and inked by Joe Sinnott (a long time Superman fan famed for his Fantastic Four artwork) on figures, and a battery of background inkers including Walt Simonson, Terry Austin and Al Milgrom.



© 1991 DC Comics Inc.
& Marvel Entertainment Group

Alternating with Marvel, **DC Special Series** #27 (1981) presented the first meeting of Batman and the Incredible Hulk as they took on the Joker and Shaper of Worlds with story by Batman and Hulk writer Len Wein, and artwork by Garcia Lopez (in his Hulk debut), Dick Giordano and Mike DeCarlo.

Marvel and DC Present #1 (1982) produced by Marvel teamed the X-Men and New Teen Titans against Darkseid, Dark Phoenix and Deathstroke (who has recently been given his own title). The story was written by X-scribe Chris Claremont, and illustrated by Walt Simonson (his debut on both sets of characters) and Terry Austin.

A fifth DC/Marvel crossover was scheduled, but because of company disagreements, **Avengers vs. Justice League** never saw print. Written by Gerry Conway and Roy Thomas, and to be drawn by George Perez and Dick Giordano, the storyline was to pit the JLA and Avengers against the Lord of Time and Kang, the Conqueror. Several pages were pencilled by Perez before the project was shelved.

DC intends to reprint the four stories published into a trade paperback called **Crossover Classics** (320 pg., $17.95). Included in this volume are introductions by the writers of the original stories. According to Michael Hill, editor of the collection, the success of the reprints "paves the way for possible future crossovers" with Marvel. The cover of this volume will be drawn by Perez.

DC is also not settling with just one new company crossover. In a collaborative effort with Dark Horse, Batman, hot on the heels of his crossover with Judge Dredd, will take on the popular movie character, Predator in a three issue mini-series. "Dark Horse is calling the shots editorially with this one," said Kelley Puckett. "We approve the scripts; we get copies of the art."

© 1991 DC Comics Inc. & Marvel Entertainment Group

"People said these two would be a good pairing," said Bob Schreck, marketing director of Dark Horse. "Both hunt for a living."

"Diana Schutz (from Dark Horse) and Denny O'Neil both edit the book. Dave Gibbons (the writer) knows the Batman mythos from his experience on **World's Finest** as well as being a fan of the Predator movies. Andy Kubert is doing the pencils and Adam Kubert is doing the inks.

"Predator has a worldwide recognition due to the movie status. With past crossovers like **Batman/Judge Dredd**, this will have a greater impact."

Batman vs. Predator will appear in two formats. One is a prestige edition available only through comics shops and direct sales outlets with a cover painted by Arthur Suydam, and containing eight bound

© 1991 DC Comics, Inc.

in trading cards. The price tag is $4.95. The other version will be available out on direct and newsstand markets with cover by Chris Warner and a price tag of $1.95.

With regard to DC's crossover with an independent company, Schreck said, "We like to think of it as a joke, as one of the first times Dark Horse worked with the 'dependents.'"

On the down side, a DC/Comico crossover may never see fruition. According to Kelley Puckett, because of disagreements between Comico and Matt Wagner, the Batman/Grendel crossover is still on hiatus.

The trend is that many independent companies want a team up with Batman. "Obviously, with the success of the movie," Puckett said, "Batman's a popular character. I'm sure Spider-Man is more popular a character, but you don't think, wouldn't it be great to have Spider-Man with somebody? It doesn't present story ideas to you. Whereas something like Batman/Judge Dredd,it's the meeting of two icons. We have nothing else working right now. There's always talk of something with Marvel — Batman with Wolverine or something like that. But that's mostly talk."

Regarding Batman, a new movie pitting the Caped Crusader against the Penguin and Catwoman is slated for summer release in 1992. Because of this, **Batman/Judge Dredd** had to be completed in 1991. "There could be no tie-ins with Batman because of the movie," said Sal Quartuccio.

But despite this, there are big plans afoot with Dredd with a line of toys which are due out in 1992. "Surge Licensing is handling the licensing of Judge Dredd," Quartuccio said. "People not on the Teenage Mutant Ninja Turtles are trying to hop on Dredd."

The biggest news with Dredd is that 20th Century Fox is slating the character for a big budget motion picture. The first script has been written by Howard Chaykin of American Flagg fame. "The movie is in pre-production," Quartuccio said. "My guess is it will be out in summer '93."

Batman/Judge Dredd: Judgement on Gotham also features The Scarecrow from the Batman legend and both Judge Death and Mean Machine Angel from Judge Dredd. The comic will be available in the U.S. in October and Britain in November.

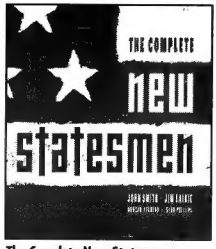
FLEETWAY/QUALITY GRAPHIC NOVELS

CUTTING EDGE WORDS AND PICTURES FROM THE UNITED KINGDOM

Sláine The Horned God - Books One and Two
Pat Mills and Simon Bisley take a barbaric look back at the ancient Celtic King Sláine - master of deadly Warp-Spasm! 64 pages in full eye-popping, kidney-punching color! - **$8.00** each.

Judge Dredd Crime Files - Slipcase Edition
A masterful collection of fully painted tales calculated to keep you in line, citizen! Each book is 48 pages, with new Brian Bolland covers. All four volumes come in a full color slipcase. **$25.00**



The Complete New Statesmen
A jaundiced British view of the future of Superheroes. 256 pages in full color.
$15.00

Garth Ennis and John McCrea

Troubled Souls
Modern-day Ulster is the subject of this compelling book of trust and betrayal. **$10.00**

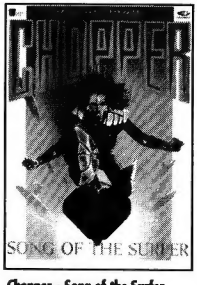
For A Few Troubles More
A more light-hearted and boozy look at life in Ireland. A very dark and funny book. **$8.00**

Definitive Editions - The Best of the Fleetway Archives

Each volume is 64 pages in full painted color on heavyweight coated paper. $8.00 Each

DefEd 1 - Future Crime - Dredd's battle with the criminal mind of tomorrow! When will they ever learn?!
DefEd 2 - Bad Science - The dark powers of science vs Dredd's big gun and bad attitude! No contest, citizen!
DefEd 3 - Hall of Justice - Discover for yourself what it's like to be a Judge! It's not all fun and games!
DefEd 4 - Metal Fatigue - Robots and computers gone bad - and Dredd's got the right tool for the job!

The Judge Child Quest
The first extended Dredd tale, recounting the search for the Judge Child who will save Mega-City One. 160 pages long in full color with art by Brian Bolland. **$13.00**



Chopper - Song of the Surfer
From the world of Dredd comes Marlon "Chopper" Shakespeare - the best of the skysurfers - competing in the deadly SuperSurf 11 contest! By Wagner & McNeil. **$10.00**
